Our Promise

Every day we help our clients create a lasting impression for their customers, turning ordinary packaging into a memorable experience.

We empower and support our clients, enabling them to prioritize their customers.

By leveraging 150 years of experience, we have become a reliable and trustworthy partner that delivers innovative end-to-end packaging solutions, minimizing clients' risk while scaling their growth.

Sourcing & Quality Control

- ✓ Design and source products competitively.
- ✓ Diversify your supply chain and reduce risk.

Import Logistics & Financing

- ✓ Absorb burden & risk of navigating international shipping and U.S. Customs entry.
- ✓ In-house logistics expertise. No hidden fees or 3PL red tape.

Warehousing & Distribution

- ✓ Hundreds of generically marked small bags and FIBCs on both coasts. Same-day shipping guaranteed.
- ✓ Custom bags with custom tags, blind-shipped in your name.
